Concrete Paving Slabs

Dineen Sales Ltd.

Add style and character to any area with our brand new range of concrete paving slabs. Available in three colours, natural grey, terracotta red and sandstone, they can totally transform any area.

All slabs unless quoted otherwise, are 450mm x 450mm x 38mm thick and weigh approximately 15 kgs each.

Also available, machine made and handmade terracotta floor tiles, suitable for indoor and outdoor use and terracotta planter pots.
